## International Education & Global Talent Development

### Seeking School Partners in Korea & Vietnam

We are looking for School Partners in South Korea and Vietnam to work with us in delivering Canada's online high school courses.

TVO's Independent Learning Centre ("ILC") is a Canada's Province of Ontario, Ministry of Education approved high school, through which a student can accumulate credits towards an Ontario Secondary School Diploma ("OSSD"). The ILC has produced Ontario accredited high school courses in all subject areas.

Sonny Cho International Inc. ("SCI") is a premier private educational enterprise and has several business lines. SCI is the designated "Affiliate" to distribute the ILC program in South Korea and Vietnam. SCI is a federally registered corporation of Canada.

**TVO:** Program Producer & Licensor [www.ilc.tv.org](http://www.ilc.tv.org)

**SCI:** Distribution Licensee ("Affiliate") [www.sonnycho.com](http://www.sonnycho.com)

**School:** Sub-Licensee in South Korea & Vietnam to deliver the program ("School")

### Courses

<https://ilc.tv.org/en-ca/ilc-courses>

### Benefits of TVO ILC Program for Students Going Abroad

- Over 20,000 students from 95 countries study through TVO ILC.
- Recognized and respected institution program - Ontario government funded, Educational TV organization with 90 years of history.
- Ontario Ministry of Education Accredited program.
- Ranked among the best in the world, developed and guidance provided by Ontario certified teachers.
- Convenient and flexible where students can start any time of the year, study anytime, anywhere and at their own pace.
- Certified teachers available to support through email and online
- Support from Facilitators in Korea with course selection and learning process.
- Flexibility to take one course per year/semester or one grade before going abroad or graduate with full diploma without leaving home country.
- Enter universities in Canada, USA & other commonwealth nations
- True preparation for university success through independent study
- Economical savings on tuition, living expenses and guardian fees
- Safer for young high school students

## **Benefits for Partner Schools**

- Extra source of revenue from courses
- Extra source of revenue from extra English lessons
- Extra source of revenue from students going abroad
- Extra Competitive Advantage

## **TVO Responsibilities**

- Produce and make available the ILC courses
- Validate and assess students for program placement
- Mark the assignments and final tests
- Approve the recommended Facilitators
- Approve the recommended test supervisors for the final tests
- Grant course credits & Grant Ontario Secondary School Diplomas

## **SCI Responsibilities**

- Select and approve the foreign schools as sub-licensees
- Establish English language competency eligibility criteria for the students
- Review student academic documentations
- Review qualifications of Facilitators and forward to TVO for approval
- Collect payments from the schools/students for assessment and ILC Courses
- Employ test supervisors to supervise the final tests
- Support and oversee the foreign schools

## **School Responsibilities**

- Recruit and enroll students in the ILC program
- Provide a class room with computers for students to receive guidance from facilitators
- Designate qualified Facilitators to assist students with course selection and progress
- Schools can provide extra ESL and tutoring outside of the ILC program
- Test English language competency of the students
- Collect student academic documentations
- Collect payments from students and forward to SCI
- Provide space for final tests
- Ensure the academic integrity of the program is upheld

## **Facilitators**

- Employees of the School
- Competent to facilitate the ILC Courses
- Fully fluent in English
- Criminal background record check prior to their acting as a facilitator
- No teaching by Facilitators or the School on the ILC courses

## Academic Bond

- Each school will be required to place CAD\$5,000 bond in escrow account
- Repayable within 60 days following the end of the term

## English Language Assessment

TVO ILC Grade 9 & 10 Program Admission – IELTS 4.5-5.0; or TOEFL 40-60; and  
TVO ILC Grade 11 & 12 Program Admission – IELTS 5.0-5.5; or TOEFL 50-70.

## PLAR Assessment

Provide translated and notarized transcripts and all available information to determine Student eligibility and assessment for program placement.

## Tuition Fees

- School shall pay CAD\$750/course Net to SCI.
- Uniform price and margin for schools will be set by SCI annually in consultation with partner schools. The maximum will be CAD\$2,000
- Initial Assessment Fee: Maximum CAD\$300 (\$200 to SCI-TVO)

## Contract Term

- Non-exclusive for 2 Years & Renewable
