### DESIGNED FOR:

- Entrepreneurs Pursuing Start-Up VISA Program
- International Entrepreneurs Going Global

In order to be successful in the highly competitive global market, global training and partnerships are just as important as brilliant ideas and new technology.

Emerging economies have many start-ups with great technologies. Many of them are very successful in their own countries and want to become leaders on the global stage as well. With that in mind, SCI has created a training program for international entrepreneurs to be accepted by Canadian accelerators and/or receive investments from venture capitalists and angels.

SCI provides a launch pad for emerging international start-ups to successfully soft-land into the global start-up ecosystem and fully utilize the supporting infrastructure of proven venture accelerators.

### PROGRAM

- Business Design & Plan Adjustment
- Professional Presentations to VC & Accelerators
- Cross-Cultural Communications
- Networking & Relationship Building
- Legal, Finance & Due Diligence

### LEARNING OBJECTIVES

- Secure Venture Financing / Venture Accelerator
- Acquire Start-Up VISA
- Supplement Key Team Members
- Relationships with Key Advisors
